Designer Interview

Fashion Illustration & Portfolio Development

Spring 2023

- Project to design a 10 look collection that is a new take on the work of an established fashion designer
- Applied designer and trend research to generate a design concept, with a mood board made in Adobe Photoshop and a written designer statement
- Utilized the previous research and concept to sketch ideas, finalize digital illustrations, and make a garment flat in Adobe Illustrator
- Summarized project in an Adobe InDesign presentation and mock pitched the collec-

Designing For A Celebration

Apparel Design Studio I

Spring 2023

- Project to take a persona requiring a look for a celebratory event and design, pattern, and sew the look according to their specific concerns and needs
- Communicated with a real persona to understand their needs and continuously consulted them throughout the design process
- Sketched, illustrated, design, patterned, and sewed a final look based on the feedback of a real person; made a garment flat in Adobe Illustrator

Work Experience:

Graphic Designer - Logo Commission

National Science Foundation-Funded Equity and Diversity in Undergraduate STEM (EDU-STEM) Network

Sept. 2022

- Efficiently communicated with employer to understand the commission and graciously accepted feedback
- Effectively implemented commissioner feedback to generate a total of 3 varying logo designs based on very general and minimal creative direction

Art Teacher

The Art Academy, St. Paul, MN

Oct. 2019 - Feb. 2020

- Enthusiastically and patiently taught drawing and watercolor fundamentals to 9-13 year old children
- Organized, directed, and encouraged a table of 8 students with empathy and adaptability
- Cultivated a supportive environment for students and staff and collaborated with other teachers as a team

Intern

VivaQuant, St. Paul, MN

Feb. 2018 - Aug. 2023

- Performed and edited processes for programming, manufacturing, testing, and preparing remote cardiac monitoring devices
- Scripted, filmed, voiced, and edited tutorial videos on DaVinci Resolve
- Wrote and edited formal documents, user manuals, and presentations
- Troubleshoot and identified user interface and user experience issues with websites and software using great attention to detail
